

Greater Green Bay Health Care Alliance
CLINICAL MEETING MINUTES
Friday, July 28, 2023 | 8:30 AM | via Microsoft Teams

ATTENDEES: Scott Anderson-NWTC, Christian Cottingham-Endter-AAH, Karen Ganey-AAH, Sarah Greely-Prevea, Nancy Jansen-AAH, Laura Janssen-AAH, Carrie Karcz-Bellin Health, Jenn Leonard-HSHS, Amethyst Messer-Bellin College, Andrew Nicholson-AAH, Ashley Otto-Rasmussen University, Lynda Rastall-NWTC, Kelly Schilling-NWTC, Jackie Stewart-NWTC, Cindy Theys-NWTC, Debbie Thompson-NWTC, Chris Vandenhouten-UWGB, Kelly Verhasselt-Bellin Health, Ann Wasmund-Bellin College, Lori Wirth-NWTC, Kaitlin Williams-UWGB, Selena Zimmerman-NWTC

EPIC TRAINING

Sherri Hanrahan tried reaching out to Epic again; however, similar to previous attempts by members, was unable to connect regarding the acquisition of a training platform. Chris Vandenhouten will be going to Madison soon to present to the DHS associate director, in addition to touring Epic. Chris shared that the DHS associate director expressed interest and may be able to help the GGBHCA in this regard.

EPIC SITE SPECIFIC SHEETS

Bellin and ABMC's revised Epic site specific sheets have been updated on the website. HSHS's Epic site specific info revisions are in the works and will be updated soon.

PLAN: CLINICAL INSTRUCTORS ANNUAL UPDATE | AUGUST 11, 2023 | 8:30 TO 10:30 AM

When all the 2023 slides have been received and revised, Debbie will send the updated PPT and agenda to presenters for review.

Presenters were asked to submit a slide with their organization's COVID and fit testing guidelines. *Since the 7/28/2023 clinical meeting, it was noted that this may not be practical for some organizations due to frequent / detailed policy changes. Any policy questions should be directed to the agency contact person.*

MCE UPDATES – KAREN GANEY, AAH

- There are MCE items that will be changing and communicated soon.
- The student policy is being revised. Instructors will need to review the policy after it has been approved.
- Although the COVID vaccine is not being required, there will be additional COVID changes. **Contact Karen Ganey regarding data entry for anyone who has never had the vaccine and does not intend to get one.**
- The website will be updated soon and will include more accordion files.
- A TB questionnaire will be added for spring 2024.

CONFLICT MANAGEMENT FOR STUDENTS

This topic was tabled for a future meeting.

INCLUSIVITY FOR PROFESSIONAL EXPECTATIONS MANDATORY MODULE

The importance of communicating professional dress cannot be underestimated. Sarah Greely reviewed the proposed updated slides. The recommended updates include a disclaimer, in addition to addressing body piercings, tattoos, and shoe cleanliness.

Scott Anderson has an NWTC photographer secured for PPT image updates. Scott will coordinate with Sherri Hanrahan to continue moving this initiative forward.

MEDICAL COLLEGE OF WISCONSIN – GREEN BAY CAMPUS

MCW's Green Bay campus will be contacted to offer representation on the GGBHCA and to see if their staff / residents continue to use the GGBHCA's mandatory modules and forms. If not, 'resident' information could be removed from the website.

NEXT MEETING

The next MS Teams meeting will be the Clinical Instructors Annual Update on Friday, August 11, 8:30 to 10:30 a.m. Contact Sherri Hanrahan with any questions or for the meeting link.
